

GOVERNMENT OF BERMUDA
Ministry of Tourism and Transport

Department of Civil Aviation

FCL LTO 2010-3

31st May 2010.

To: All applicants for a Bermuda Flight Crew Certificate of Validation.

Additional requirement for a confirmatory letter of employment as Flight Crew from the Owner or Operator of Bermuda Registered aircraft.

Background:

It has come to the attention of the Bermuda DCA that a few individuals have been applying for Certificates of Validation based on fallacious claims that they were being employed by named Operators. On checking with the Operator / Owner this has proved to be incorrect information.

Action:

From the 1st July 2010, all applicants for a Bermuda DCA Certificate of Validation are to obtain a letter from the Owner or Operator stating that the applicant is to be engaged as Flight Crew. This letter is to be on paper with the Company logo or similar identifier. It may be submitted as a scanned copy with the application package as long as it is notarized in the manner described on the application form (Form 9511).
