

GOVERNMENT OF BERMUDA  
Ministry of Transport

---

**Department of Civil Aviation**

31<sup>st</sup> January 2011

**LTO OPS 01-11:**

To: Operators of Bermuda Registered Aircraft in the “Private” category

**9531 - Application for RNP and RVSM Airspace approval.**  
**9022 - Application for Low Visibility Operations approval**  
**9019- Application for approval under Article 85 of the AN(OT)O 2007**

**Background**

The present system of submitting requests to the Bermuda Department of Civil Aviation for the three listed approvals (above) has always been by completing a form obtained from the BDCA website or direct from a member of staff. Required accompanying documentation has normally been sent as an email attachment, a CD or by courier mail.

**Action**

With immediate effect, applications for the three listed approvals (above) are to be submitted by the use of the forms to be found on the web application [www.airs.gov.bm](http://www.airs.gov.bm). These forms allow the sender to attach all the necessary required documentation in support of the application.

The form for Certificates of Validation (9511) is still being developed and is not to be used until the Department advises.
