Subject: Operation of Bermuda Registered Aircraft without Original Certificates on Board

To Whom It May Concern;

This letter is intended to inform all concerned, that the Bermuda Department of Civil Aviation (BDCA) permits the operation of Bermuda registered aircraft with copies of BDCA issued certificates on board.

This BDCA policy allows a maximum duration of three (3) weeks from the date the certificates are issued. It is required due to the logistical concerns that newly issued BDCA certificates take a considerable time to be delivered by mail or courier from Bermuda to all other geographic locations.

Yours truly,

Thomas Dunstan
Director
Bermuda Department of Civil Aviation
